OUR CONCEPT.

The first word, after “Mom”, from our children “Theo & Till” was
always - ice cream!

In our store “Theo & Till - Eismanufaktur und Kaffeehaus”, which
opened in April 2023, we want to share our love for ice cream,
breakfast and coffee with you.

Our design, interior and atmosphere is inspired by our travels to
Bali, Thailand, Japan and Co.

We want to be a place where you feel comfortable. We offer
not only homemade natural ice cream and delicious breakfast
creations, but also the best coffee specialties.

We value the best quality and avoid artificial additives wherever
possible and prepare everything fresh with great attention to
detail. Therefore, it can sometimes take a little longer.

Good things take time <3
